### **III. COMMENTS (PUBLIC) 3-minute limit**

Mary McAuliffe, with the League of Women Voters and the National Alliance for the Mentally Ill of Long Beach, addressed the Commission on the issues of mental health among youth and children and the lack of adequate care for them in most mental health facilities. She briefed the Commission on the results of studies from USC done in 1996 and 1999 that asserted that of nine hospitals in Long Beach, only one of them had mental health units for teens. Mary McAuliffe expressed the hope that more data would soon be available and encouraged the Commissioners to investigate that possibility. Staff was given information on a contact, Nancy Watson, of the Community Health Council, who can be reached at (323) 295-9372. Mary McAuliffe also later offered an invitation to the Commission to attend the Second Community Forum on Mental Illness, which will occur at 6:00 p.m. on September 21<sup>st</sup> at Community Hospital. The forum will focus on Prop 72, the Mental Health Services Initiative.

**Budget 05 Impact on Youth and Children and Those who Serve Them** - Due to scheduling concerns, Commission Chair Rebecca Turrentine then altered the agenda order to give precedence to Deputy City Manager Suzanne Mason, who addressed the Commission regarding specific budget cuts for the City's fiscal year 05-06, beginning on October, 2004 that may have an impact on youth, children and those who serve them. She informed the Commission that the City Manager will deliver a proposed 2005 budget to the Mayor on July 30<sup>th</sup>, and that it will become publicly available on August 15<sup>th</sup>. When questioned about Youth programs facing cuts, Suzanne Mason mentioned that the City Manager and Chief of Police are proposing to suspend the P.A.L. and D.A.R.E. programs to re-deploy the officers back to patrol. Likewise, the Mobile Recreation Program is being reduced in areas that are not CDBG (Community Development Block Grant) funded. A proposal is also being put to the council to restructure the day camp program so that the higher-level staff day camps would no longer take place. Branch libraries have also received cuts, with each library branch being closed for one day and staff being shuffled among the remaining open libraries. However, the libraries are maintaining all their family learning centers and the Raise a Reader program. They will also be cutting the library materials budget back to 2001 levels and reducing youth library programming. The Discover Long Beach Parks program is being reduced to five sites. The Deputy City Manager then took some time to stress that many of the programs are still running and that while the libraries are open one day less each week, all of the branches are still open. Deputy City Manager Mason then opened the floor to questions, and clarified the cost increase at local golf courses for Commissioner Rothenberg. Commissioner Ingram asked for specifics on how many cuts would be made to Youth Programs and how it would compare to the overall budget cuts and was informed that the information would be available.

**It was moved by Commissioner Soth and seconded by Commissioner Chhay to receive and file the presentation from Deputy City Manager Suzanne Mason on the 2005 budget and it's impact. The motion carried unanimously.**

#### **IV. SUPERINTENDENT'S REPORT TO THE COMMISSION**

CYC administrative issues update:

Cynthia Fogg introduced the new Commission Clerk, Daniel Hendricks, to the Commission, highlighting his past experience.

Ms. Fogg updated the Commission on the 21<sup>st</sup> Century Community Learning Center Grants. Twenty million dollars in grant money was given to start 34 programs throughout the city. On October 14, 2004, a celebration will be held in conjunction with the Lights On After School observance, which will recognize the importance of after school programs in the community. An invitation was issued to Assemblymember Lowenthal to attend the festivities to acknowledge his efforts in helping to secure funds for the 21<sup>st</sup> Century program. The Celebration will probably be held at one of the 34 schools involved in the 21<sup>st</sup> Century program, though to date a specific campus has not been determined. Ms. Fogg asked the Commissioners to note the date.

Cynthia Fogg also informed the Commission that Karen Pittman, the guest speaker at this year's annual forum, was in town to meet with United Way of Greater L.A. and asked to meet with her. Ms. Fogg alerted Karen Pittman that the Commission would be interested in being involved in future municipal initiatives. Karen Pittman also gave some insight into our Gang Violence Prevention Task Force effort and feedback as to how our program runs compared to other cities.

Ms. Fogg also responded to comments about the new city website not being completely accurate and informed the Commission that the CYC link is misdirecting people to the Health Department's Youth Services, which is incorrect. However, the Webmaster is aware of the situation and is working to fix it. Additionally, the Commission on Youth and Children is no longer listed among the other City Commissions after the change to the new design. The Mayor's staff has been notified and the omission should be corrected shortly.

The Commission has also been invited by the Mayor to be guests again on the Mayor's Heart of the City show. This particular taping will be on August 5<sup>th</sup>, and will address the Commission's role in the League of California Cities Annual Conference in September. Ms. Fogg suggested that Commissioners Batton and Young attend the taping.

The Coral Youth Leadership Institute is having a Graduation and Film Festival on August 6<sup>th</sup> and Cynthia Fogg suggested that Commissioners Batton and McAlpin attend as they are both from the 1<sup>st</sup> district, which is where the graduation will be held.

**V. CHAIR AND VICE CHAIR REPORT TO THE COMMISSION**

Commission Chair Turrentine reminded the Commission about the necessity of having a quorum in order for the Commission to act in an official capacity. She requested that any Commissioners that know they are going to be absent from upcoming meetings notify Cynthia Fogg's office as soon as possible.

Commission Chair Turrentine then took the opportunity to congratulate several Commissioners on recent achievements. Commissioner Rothenberg was recently elected as Vice-Chair of the Youth and Gang Violence Task Force. Commission Vice-Chair Pierre Batton was selected as a member of the Dream Team and player of the year in Boys Tennis.

Commissioner Kemp-Bowdre addressed the Commission to announce his resignation from the Commission. On August 18<sup>th</sup>, he is leaving Long Beach to attend the University of Florida, where he is majoring in Business Administration, and thus unable to continue his duties as Commissioner. Commissioner Kemp-Bowdre was presented with a plaque commemorating his service to the Commission.

Commission Chair Turrentine raised a point of jurisdictional precedence for when the Commission and DLYAC are addressed with problems involving school sites. She suggested that should a problem arise involving a Commissioner's school, the Commissioner should contact the ASB member who sits on the LBUSD Superintendent's Advisory Council. If it is at a campus the Commissioner does not attend, they should bring the issue to the attention of Commissioner Meyer.

Commission Chair Turrentine asked Council member Val Lerch to address the Commission. Council member Lerch took the opportunity to thank Commissioner Kemp-Bowdre for his efforts with the Commission and to give him a certificate of commendation for his work.

Commission Chair Turrentine discussed her and Commission Vice Chair Batton's attendance at a Youth Engagement Task Force event at the Disney Concert Hall in Los Angeles. Both Chair and Vice Chair sat on that panel and Commission Chair Turrentine reported that Commission Vice Chair Batton did an outstanding job in giving a great perspective on meaningful youth engagement. At the event, one of the issues covered was the sharing of power in joint youth and adult activities. In keeping with this, Commission Chair Turrentine discussed the option of altering the officer titles of Chair and Vice Chair to Co-Chair anywhere a Vice Chair exists in our commission structure.

**It was moved by Commissioner Kemp-Bowdre and seconded by Commissioner Rothenberg to change the title of "Chair" and the title of "Vice Chair" both to "Co-Chair", not only for the Commission at large, but also for any sub-committee where we have a Chair and a Vice Chair currently. The motion carried unanimously.**

Commission Co-Chair Batton reported on his attendance at the Walt Disney Concert Hall event. The main topics of the event were the principles of Youth Engagement and how to get more people involved in activities. The L.A. County Children's Planning Council, who co-hosted the event, had a presentation on keeping a positive atmosphere while engaging youth.

## **VI. REPORTS**

### **a. Committees**

#### **EXECUTIVE COMMITTEE**, Commissioner Turrentine and Batton, Co-Chairs **(July 13<sup>th</sup> meeting)**

The committee was responsible for the development of the Agenda for the Commission on Youth and Children's meeting. They also worked on a draft of By-Laws for the Commission on Youth and Children, which will continue to be worked on for the next few months, and then submitted to the Commission for correction and adjustments. The Executive Committee also had a conference call with the League of California Cities talking about the upcoming event in September for which they are planning youth activities. In the conference call, the Executive Committee discussed the possibility of getting Governor Schwarzenegger to address the League of California Cities. Co-Chair Batton proposed that the Commission draft a letter to the Governor requesting his presence. It was suggested that this correspondence be mailed as soon as possible to increase the likelihood of a positive response.

#### **REPORT CARD COMMITTEE** Commissioner Soth, Committee Member **(July 7<sup>th</sup> meeting)**

The committee has had recent openings and Commissioner Soth was seeking another adult member of the Commission to join her on the Report Card Committee. Commissioner Ingram accepted this invitation. When the committee last met, they had a special guest, Lynn Winters, Superintendent of Research for the Long Beach Unified School District. She is willing to assist the Commission, but at present, scheduling conflicts are keeping her from most meetings. Christina Santos, who will be graduating in January from Cal State Long Beach, will fill a part time position for the Report Card Committee. She has an undergraduate degree in Sociology and it will be her responsibility to help coordinate the various elements of the report card, to include incorporating various graphs and information from various sources. She will begin as soon as her new employee paperwork is processed.

#### **LEAGUE OF CALIFORNIA CITIES (LCC) PLANNING COMMITTEE** Commission Co-Chair Batton, Committee Member **(July 28<sup>th</sup> meeting)**

Commissioner Batton and Mr. Romero investigated facilities at the Hyatt as a location from which to host the youth activities during the League of California Cities event. Co-Chair Batton detailed the various organizations that are donating funds to assist in paying for the events of the day. The Commissioners discussed a rough schedule of the day's events as well as clarifying that Long Beach would be hosting one day of activities, and not the entire week. The event was offered as an opportunity to introduce Long Beach's Commission on Youth and Children to the various visiting representatives of other communities. Ideas were discussed for an "icebreaker" activity of some sort, but specifics were held off for later meetings of the planning committee.

**It was moved by Commissioner Summerville, and seconded by Commissioner McAlpin to nominate Commissioner Batton and Commissioner Young to serve as Co-Chairs of the LCC Planning Committee. The motion carried unanimously.**
